At approx. 2330 hrs on 04/26/2019 I, Officer Bickel and Officer Typer were pulling into the Sullivan Police Department parking lot. I was dropping Officer Typer off for the end of his shift. Upon exiting the vehicle we overheard a female voice down the road by the Toy Bar yelling "fucking nigger". We both got back into the patrol explorer and responded down to the Toy Bar parking lot off of Van Buren Street. On our way a Green Chevy pick up truck backed out and began traveling North on Van Buren st. I could see the shadow of someone standing up by the side walk throwing something at the truck.

At this time, I turned on my emergency red and blue lights to get the truck to stop. The truck pulled in to a parking spot on Jefferson Street just East of the bar. Officer Typer and myself approached the truck to make contact. I asked what was going on, The female in the passenger seat, later known as Brittany Chivas, was the first to speak up. Brittany stated that there was a fight. Cody Weaver, the driver of the truck was bleeding from the mouth. I had Cody step out of the vehicle. I asked Cody if he needed medical attention and he refused. Cody stated that the fight was with "Megan".

I then had Officer Typer stand by with them while I made contact with the other parties. I saw a female standing outside the Toy Bar, later known as Daneille Standefer, and asked her if she was Megan? She stated "no, Megan is inside". I then had Danielle go get Megan and spoke with both of them outside of the bar. Megan claimed that they shoved her all over the bar. (While running both Danielle and Megan through Moultrie County Dispatch) Megan explained that her and Cody were going through a divorce because "he cheated on her with that nigger".

Megan continued that Brittany started it and that it is Cody's weekend to have their son. Megan also handed me her work ID and explained that she is a probation officer. Megan kept trying to joke around with 10 codes and was clearly intoxicated. Megan advised that she heard that Cody was up at the bar when he was supposed to have their son. Megan claimed that she confronted him about where their son was and they went outside of the bar and Cody pushed her and kicked her shoe off. Megan also stated that "she is pretty sure there are sun down rules". I asked Megan if she came up to the bar to confront him? Megan claimed that they did not, the reason they came to the bar is because it was her weekend without her son. Megan stated Cody shoved her while outside and her zip up hoodie got ripped. I asked Danielle and Megan if anyone else witnessed the incident. Megan stated that Aaron Springman came outside and saw them. Danielle went inside the bar to have Aaron come speak with me.

At this time, Megan began yelling at Cody down the street stating "there are sun down rules for black people". Megan asked if she could sit down. I told her she could. She then walked closer to the others parties involved and sat down. I asked her to come back to my location to sit down. She ignored me and began yelling more racial comments towards Brittany.

I then went and spoke to Cody and interviewed him about why their stories are not lining up. Cody explained that it was physical with her and was upset about the racial comments. Cody explained that he was on date and that his son was with his parents. Cody and Brittany were at the bar when Megan texted him asking him where their son was? Cody claimed he did not respond to the text and the next thing he knew Megan and Danielle were up at the bar. Megan wanted to go outside and talk and Cody

refused at first but eventually went outside with Megan.

Cody stated that they argued a bit about their son and then Megan started throwing punches. Cody jumped around a lot in his story telling. He then claimed they began attacking Brittany. Cody then separated everyone and had Brittany get into his truck to leave and that is when we arrived on scene.

I asked Cody when he got the busted lip, Cody explained that Danielle and Megan had Brittany on the ground. Cody jumped in and pushed Megan away to get Brittany up and that is when Megan came back and hit him in the mouth. I asked how Megan's hoodie got ripped, Cody stated that it was between the scuffle with Brittany and Megan. I then had Cody stand in front of my squad while I spoke with Brittany who was sitting in the passenger seat of the truck still.

While interviewing Brittany, Megan was still yelling racial comments from the sidewalk. Brittany advised that she was trying to go outside with Cody when Danielle got into her face and began yelling at her. Danielle stepped closer to Brittany calling her a "cunt" and Brittany admitted to pushing her in the face to get her away. Brittany explained that once outside Megan got into her face also. Brittany explained she has high heeled boots on and fell to the ground. I asked Brittany if anyone witnessed the incident that wasn't involved. Brittany stated she isn't from around here and only knows Cody.

I then returned to Megan with some follow up questions. Megan explained she just wanted to know where her son was. I asked Megan if she followed them outside. At first Megan stated she did not but later in her story said she did.

I then spoke with Aaron. Aaron said there was a confrontation between Cody's girlfriend and the blonde gal. Aaron continued that they went outside and he heard a commotion and he went out and helped Cody split the females up. Then Cody and his girlfriend headed around the corner to his truck and Megan followed them. At that time Aaron went back inside.

I then returned to my squad, where I called Assistant Chief Pistorius for guidance. Due to both parties stories not matching up and no strong witnesses. Pistorius advised to give everyone written statements and send a report in to the State's Attorney. I then returned to Megan and Danielle and gave them written statements to fill out and return to the PD at a later date. Megan kept insisting that she was the primary care taker of her son and wanted to get him. Officer Typer explained to her that it was midnight, her son is with his grandparents and he is fine. Megan kept going on about it so Officer Typer called the grandparents and checked on the son to please Megan.

At the same time, I took written statements to Cody and Brittany to have them fill out. Cody and Brittany turned in their written statements the following day at the PD. At this time, 04/28/19 at 0040 hrs, Megan and Danielle have not turned in their statements.

Before leaving the scene we stood by and waited for Cody's brother to pick up Brittany and Cody.

End of report.

after Coxy was pulled over. They told Coxy to call for a ride home. His brother came & picked both Coxy & Brittany up & took them home. Coxy & I are divorcing & emotions were high on the night of 4/26/19. This is not typical behavior for myself or Coxy. This all began as a verbal altercation until Brittany pushed Danielle's face & Coxy shaved me. I was wearing a zip up hoodie that was torn by Coxy when she continued shaving me during the altercation.

At approximately 2315 two women approached Cody Weaver and myself at The Toy Bar. One of the women ordered a beer and stated to "place it on Cody's tab". At this time, I asked Cody who the woman was, and he stated "megan". Cody proceeded to get up and walk to the other side of the bar to leave. I then got up to follow Cody to leave, but then the second woman Danielle Stranderater stepped in front of me. Danielle then started to ask me questions as to why Cody was out and where was Cody's son, while blocking me from going over to Cody. I explained to Danielle that this was none of my business, and I was not going to discuss it with her. Danielle then proceeded to yell in my face that I am a "cunt" and accuse me of being naked in front of Cody and Megan's four year old son. I then placed my fingers on her forehead to distance her face from my face. At this time Cody grabbed my hand to lead us out of the establishment. As we walked out Megan Weaver and Danielle Stranderater proceeded to follow us while yelling at Cody and myself with derogatory remarks - badgering us even out of the front door. Then Megan and Danielle pushed me to the ground, and hovered over me threateningly. Megan then punched Cody in his jaw, causing his lip to bleed and cutting open his tongue. While Danielle & Megan were leaning over me, Megan Weaver was calling me a "Fucking Nigger" repeatedly. She said it approximately 35 times. Cody Weaver helped me to my feet & walked me to his truck. As we were walking to his truck Megan & Danielle followed us. →
